"The Cool Choice"

Website: Halesac.com

State Cert. # CACO55503

4/10/2012

To the Board members and owners at Bayshores Yacht and Tennis Club Condo's 19451 Gulf Blvd. Indian Shores Fla. 33785 As well as amg tampa bay (Condominium Association Management) 3602 Henderson Blvd. Tampa, Fla. 33609.

Please note: After my discussion with the Indian Shores Building dept. they want it made clear that moving the A/C's to 4" pads with Hurricane Clips, does not meet the current Florida Wind codes of putting the units on engineered raised stands attached to the building structure itself and then fastening the units to the stands. This relocation method is for roof maintance purposes and to protect the existing and repaired roof from further damage until its replacement.
